

National Deaf People of Color Virtual Conference  
August 6-8, 2021

Dear Donor,

We are writing to you on behalf of Deaf Women of Color, Inc. (DWC). DWC is a non-profit 501(c)3 organization. The National Deaf People of Color (NDPC) Conference Committee is thrilled to be hosting its fifth conference virtually on August 6-8th, 2021.

Our theme is: **"Our Legacy: Live, Heal and Prosper."**

***The souls of our Black and Brown people are, in a centralized collective, living, healing from trauma, and prospering through it all, TOGETHER! Our legacy, live, heal and prosper, reflects our Black and Brown's shared and lived experiences with humility and humanity. For centuries, we have lived our lives in a constant state of survival mode, battling those who continually sought to eradicate our rights to exist as humans. This conference is a safe space where we strive to build a sustainable legacy with deep cultural roots that will last for endless generations. We welcome all BIPOC and allies to join us at our table. In solidarity, we shall overcome and prosper!***

Money raised at the event will be used towards empowering and advocating Deaf BIPOC youth and reaching out to society-at-large through education and validation by recognizing the contributions of Deaf people of color through networking, resources and services.

We are hoping that your company would consider donating a suitable prize for our raffle and/or silent and live auction. Please send your donation directly to NDPC Conference c/o Shana Gibbs 21 Averton St. Roslindale, MA 02131. If you have any questions, please do not hesitate to contact us at [NDPCConfer@gmail.com](mailto:NDPCConfer@gmail.com)
